Seattle Center. Courtesy wheelchairs are located at Gate 6 (Mercer Street), Gate 1 (Monorail station), and Bumpershoot Reception (third floor of the Center House). ADA brochures are available at bumpershoot.org.

All other tickets are available at bumpershoot.org, participating Starbucks, through Ticketmaster, or at Bumpershoot gates September 2-5. Limited Gold and Platinum passes are also available at bumpershoot.org.

Access to all Bumpershoot events is on a first-come, first-

served basis. The final Mainstage shows each evening require a free wristband—which you can pick up at information booths on the day of the show—for entrance. Wristbands are issued one-per-customer on a first-come, first-served basis. See map for locations.

GENERAL INFO:
Bumpershoot will happen regardless of weather, and all listings are subject to change.

Bumpershoot tickets afford concertgoers free admission to the Children's Museum on

Friday, September 2; 25% off the price of EMP admission; and 50% off admission to the Space Needle's Observation Deck during the festival. Some restrictions apply. See the Space Needle ticket office for details. Entrance to the Pacific Science Center and Fun Forest are not included in Bumpershoot admission.
