Ed McKenna for Judge &lt;edmckennaforjudge@comcast.net&gt;

Did you receive the big Notebook I sent for Ed? It was supposed to have arrived in your box yesterday.

I think Ed is hoping to hear from you.

Could you get both of us that "accomplished" list so we could get on the same page please?

Yes Ed and I just talked. We are going to be having conference calls every morning @ 9 am and daily reports in the evening and a weekly wrap up report on Sunday (what happened this week, what we are looking forward to next week). Would you like me to cc you on those reports also?

Yes, please -- except to the extent that they include information about planned campaign expenditures. I cannot be privy to that information because I'm in a decision making capacity with a pac. You can redact that information.
