15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:
{This incident and victim interview were audio and video recorded.

On 04-17-2014 at 0922 hours I logged into sevice and responded to an in-progress strong armed robbery that occurred at Ne 143rd Street & Lake City Way Ne. Responding officers conducted an area check while I made contact with the victim, [REDACTED] [REDACTED] had already been treated by SFD for minor injuries. [REDACTED] stated the following:

At approximately 0305 hours Harvey left his apartment in the 3000 block of Ne !40th Street to go for a walk. He walked N/B on 30th Ne, where he turned E/B on Ne 145th Street. [REDACTED] observed the listed suspects in the area of Ne 145th Street & 32 Av Ne. As [REDACTED] passed by suspect #1 started

"talking shit". [REDACTED] was answering suspect #1's questions about where he lived, but suspect #1 thought [REDACTED] was getting "fresh". [REDACTED] was just tried to avoid trouble and keep moving. [REDACTED] heard one of the males talking about jumping him. Suspect #1 began to ramble on unintelligibly. [REDACTED] decided it was time to remove himself from the situation, so he made a turn and waited for the suspects to leave. The suspects walked E/B towards the [REDACTED] at Lake City Way & Ne 145th Street.

After waiting a few minutes [REDACTED] thought it would be safe for if he continued E/B. He arrived at the 7-11 only to see the suspects at the store. [REDACTED] thought that he could seek refuge inside the [REDACTED] but he thought a male standing inside was an associate of the suspects, so he kept moving S/B on Lake City. [REDACTED] now had two suspects in front of him, and three suspects behind him. [REDACTED] realized this was a bad situation, so he stopped at the bus stop to have a brief conversation with an unknown citizen. The suspects began the verbal confrontation with [REDACTED] again, so [REDACTED] decided to keep moving.

The suspects followed [REDACTED] to Ne 140th Street & Lake City Way Ne. This is where things escalated. [REDACTED] heard one male say, "I just got out of prison homie, and you remind of a bitch I fucked in the ass the entire time I was there". Suspect #1 got to within inches of [REDACTED] and grabbed his coat, so [REDACTED] pushed his hand away. Suspect #1 then grabbed [REDACTED] by the throat, so [REDACTED] again pushed his hand away. [REDACTED] continued to tell the suspects that he didn't want any problems, and did not want to fight. Suspect #1 threw a punch at [REDACTED] but he was able to avoid being hit. [REDACTED] turned and tried to walk away and this is when he believes suspect #1 hit him in the back of the head with an elbow. The blow knocked off [REDACTED] fedora, so he bent over and picked it up. Suspect #1 then punched him in the back of the head, again causing his fedora to hit the ground. [REDACTED] picked up his hat and kept moving trying to put some space between him and his attackers. Suspect #1 then punched him in the right cheek. All the blows caused minor swelling and pain. [REDACTED] made it to Ne 140th Street & 32nd Ave Ne, where suspects 1-3 began to assault him. He believed suspect #1 tried to pick him up and throw him on the ground, so they could stomp him. The continued attack knocked [REDACTED] fedora off again. This time one of the suspects grabbed his hat. After the attack all the suspects fled S/B on Lake City, from Ne 140th Street.

Several patrol units conducted an extensive area search for the suspects with negative results. [REDACTED] told me that he would definitely be able to recognize the suspects if he saw them again. [REDACTED] was given a business card and case number for the robbery. [REDACTED] was advised to call 911 if he sees his attackers in the future.

I responded to the [REDACTED] in an effort to locate any witnesses, and to speak with the clerk. The clerk was unsure if he had seen the suspects in the store, but he stated that they do have video surveillance. However, he is not familiar with the workings of the system and could not review it for me. He stated that the manager would be able to pull the video if needed.
