15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:
{At about 0103 hours, I was doing "Predicted Policing" parked near 5 Ave/Olive Way. A male [redacted] came up alongside my car, pounded on the window, and started shouting at me about having been assaulted. [redacted] was extremely agitated, sweating profusely, and very aggressive. I was able to get [redacted] to slightly calm down and have a seat on the ground while I interviewed him.

[redacted] said that a short, thin, B/M/Teens, 5-04, 140, possibly named [redacted] 8 gang member, wearing a gray sweatshirt with the words "Rest in Peace", had assaulted [redacted] with a stick. [redacted] was not very cooperative or detailed about the events that transpired. [redacted] said that [redacted] had initially picked up a brick, but dropped that and instead assaulted [redacted] with the stick, hitting him all over the face, head, body, and arm (leaving a large bump "hematoma" on [redacted] right forearm). Officers did a search of the area, but were unable to locate

[redacted]

[redacted] yelled, swore, threatened, and mocked Officer as we were trying to get the details of what had happened. [redacted] also threatened to go find [redacted] and handle it himself and made other similar statements along with several conspiracy related comments about the Police. I believe [redacted] likely has severe mental issues and/or uses copious amounts of illicit narcotics. SFD Medic One A2 responded to the scene to treat [redacted] AMR 800 transported [redacted] to Virginia Mason Hospital for additional medical treatment. SFD did not believe that [redacted] arm was broken. I gave [redacted] a business card with the case number. -->}
