

CityDog Cover Dog Model Search Pre-registration Form

All in the spirit of fun and to raise money for a good cause, CityDog Magazine is looking for its next cover dog! Big dogs, little dogs, mutts, purebreds...ALL dogs are welcome to try out to be the next CityDog Cover Dog!

One dog from each of the below events will be picked to go to the final round. CityDog readers will then be asked to vote for the winning dog to grace the cover of the Winter 2010-'11 issue. And, because we think ALL dogs are worthy of the cover (unfortunately, there can only be one), ALL dogs entered in the model search will be featured in CityDog Magazine as well! Woof!
